Important notes

It is strictly forbidden to drill, use strong adhesive, paste, paint and ruin the structure of the shell scheme or hang

items. Any damage caused to hired structures will be debited to exhibitors. Shell scheme are not modifiable.

Attention

The electrical system cannot be boosted through exhibitors or contractors own electrical material. Shell schemes cannot be installed in outdoor areas.

The shell scheme (excluding furniture) will be at the exhibitors disposal 2 days before the opening of the exhibition.

If machinery or equipment higher than 2 metres are installed inside the shell scheme, the Exhibitor should inform Veronafiery to allow scheduling of the shell scheme set-up accordingly. Otherwise Veronafiery will be forced to charge the Exhibitor for the costs of dismantling and re-installation of the shell scheme.

This order form should be returned to Veronafiery duly filled in and

signed. This request is binding on exhibitors to all intents and purposes. Veronafiery reserves the right to reject requests submitted after the deadline. In any case, late requests will be processed after meeting all regular requests and will bear a 20% surcharge. Orders will be processed only if structures and furnishing are still available, regardless of the type of item required. Requests submitted on-site will be processed (if items are available) from 9.00 a.m. on the day following the request. Any complaints should be forwarded by midday each day during the event to the Exhibitors Service (ground floor Palaexpo Bldg., Tel.: +39 045 8298212 Fax: + 39 045 8298121).
