"Dynamic areas" are outside demo areas where self-propelled machines or mobile tractors can be presented for trials/work tests over pre-defined routes.

The request for a dynamic area includes:

- 1) Also purchasing a static exhibition area;
- 2) Exclusive use of the dynamic area for demonstrations of machinery in motion. VeronaFiere reserves the right to evaluate requests and accept only those which ensure added technical and spectacular value to the event
- 3) The obligation to present the demonstration project in advance in compliance with current safety regulations and the product categories permitted for the event, which must be approved at the absolute discretion of VeronaFiere
- 4) Use of the safety fencing provided by VeronaFiere to mark off the demo area for which specific cost estimates will be prepared

The possibility of covering the fenced-off dynamic area with banners or non-woven fabric complete with the brands of the exhibiting company. VeronaFiere offers this service with customised quotes
