I accept to participate at the proposed events scheduled at Fieracavalli 2013 which are organized by Veronafiere.

**Information and consent under Legislative Decree 196/2003**

Under art. 13 Legislative Decree 196/2003 "Ente Autonomo Fiere di Verona" inform you that your personal data are processed manually and/or electronically for registration to exhibitors' events scheduled during the exhibitions and organized by the Entity and under your consent to:

- a. develop customer profiles, to check the level of customer satisfaction, participation in market research and testing;
- b. sending of communications, information, newsletters, research, and advertising materials, even customized, regarding the exhibitions organized by the Entity via e-mail, ordinary mail, call centers and fax;
- c. sending of communications, information, newsletters, research, and advertising materials, even customized, regarding specific products and services of others via e-mail, ordinary mail, call centers and fax.

The provision of personal data is not compulsory and the consequences of failure to provide for them results in the impossibility to perform what is written above.

The data will be processed by the employees and associates of the Entity as persons in charge of the processing and data processors.

Data may be disclosed to companies which, on behalf of the Entity, carry out data processing, research activities, sending of advertising material appointed as external data processors.

On the basis of the rights under article 7 of the abovementioned decree, the data may be verified, modified, supplemented or cancelled, without charge, by writing to the data holder at the address below or [privacy@veronafiere.it](mailto:privacy@veronafiere.it)

The Data Controller is the Ente Autonomo per le Fiere di Verona with registered office in Viale del Lavoro no. 8 - 37135 Verona. Phone: 045 8298111 – Fax: 045 82 98 288 - E-mail: [info@veronafiere.it](mailto:info@veronafiere.it)

The Data Supervisor is the Manager pro tempore of Human Resources Organization and Systems.

The complete list of Data Processors is available at the Data Controller.

**Consent**

In relation to Article 13 of Legislative Decree no.196/2003, I agree to the pursuit of the following purposes (tick the appropriate box):

- develop customer profiles, to check the level of customer satisfaction, participation in market research and testing;
- sending of communications, information, newsletters, research, and advertising materials, even customized, regarding the exhibitions organized by the Entity via e-mail, ordinary mail, call centers and fax;
- sending of communications, information, newsletters, research, and advertising materials, even customized, regarding specific products and services of others via e-mail, ordinary mail, call centers and fax.
