**FURNITURE ITEMS**

**Please note: shell scheme package stands are provided **without** sink. Should you wish to have this option, please request through Vinitaly portal.**

**STAND PLAN**

Please indicate in the space below the position of the additional electrical material (spotlights, socket, etc.) and the storeroom, if requested. If the location of the storeroom is not indicated in the plan below, it will be positioned at the discretion of Veronafiere. Kindly note that plans, prospects and pictures on this form are merely indicative.

**IMPORTANT NOTES**

**It is strictly forbidden to drill, use strong adhesive, paste, paint and ruin the partition walls of the shell scheme or hang items weighing more than 2 kg.** Any damage caused to hired structures will be debited to exhibitors. Shell scheme are not modifiable.

**ATTENTION**

The electrical system cannot be boosted through exhibitors or contractors own electrical material. The shell scheme (excluding furniture) will be at the exhibitors disposal 2 days before the opening of the exhibition. This order form should be returned to Veronafiere duly filled in and signed. This request is binding on exhibitors to all intents and purposes. Veronafiere reserves the right to reject requests submitted after the deadline. In any case, late requests will be processed after meeting all regular requests and will bear a 20% surcharge. Orders will be processed only if structures and furnishing are still available regardless of the type of item required. Requests submitted on site will be processed (if items area available) from 9.00 a.m. on the day following the request.

**Should you have any further questions concerning the shell scheme package please contact us: Telephone +39 045 8298336 or send email to [belestreri@veronafiere.it](mailto:belestreri@veronafiere.it)**
