- Continuous assistance of Marmomac prior to and during the event,
- technical support for pre-fitted and custom made booths realized with Marmomac

BOOTH SET - UP and DECORATION

Marmomac offers a wide range of booths, structures, extra furnishings and customizations. Exhibitors may choose a shell scheme booth among different types of equipped booths or, alternately, for maximum exposure, may opt for a custom-made booth (inclusive of booth project/design, construction and decoration). Here below some examples of our "basic" modular booths: Our staff is at complete disposition to illustrate the "basic" modular booths solutions and to offer new personalised and custom made set-up systems ensuring strong scenic and communicational impact at a competitive cost.
