

VERONAFIERE POSTPONES SAMOTER, LETEXPO, ASPHALTICA AND B/OPEN

Date changes decided by the Board of Directors: the timing of set-up and logistic operations for these events are incompatible with national and regional dispositions for Covid-19

Verona, 26 February 2020 - The Board of Directors of Veronafiere SpA met today and acknowledged the impossibility of ensure proper timing for set-up, dismantling and logistics operations for upcoming trade fair events. In relation to the requirements of the [ordinance](#) issued by the Ministry of Health and the Veneto Region concerning Covid-19, it was decided to postpone the events scheduled for March and early April 2020.

Samoter, the international construction machinery exhibition, scheduled 21-25 March will now be held 16-20 May 2020. The events held in conjunction with Samoter will also share the same date: **Asphaltica**, the road infrastructure event, and **LetExpo**, the sustainable logistics trade fair and ICCX Southern Europe, and ICCX Southern Europe international concrete conference and exhibition.

There is also a change of date for the first edition of **B/Open**, the certified organic food and *natural self-care* event, which moves from 1-3 April 2020 to 22-24 June 2020.

The measures implemented by Veronafiere join the other changes to the calendar announced yesterday which affect upcoming events in March: **Model Expo Italy** and **Elettroexpo** were postponed to 21-22 November 2020 and **Innovabiomed** is now scheduled for 15-16 June 2020.
