## DEADLINE OF REGISTRATION

Registrations for the Exhibitions are open until **06 OCTOBER 2023**. Later applications will be considered only in accordance with the availability of the exhibition space.

*The stands occupied in the previous editions are not automatically reassigned in the following editions: technical reasons and changes in the requested sizes determine continuous changes to the exhibition layout.*

*Anticipating adhesion timing as much as possible makes it easier for those interested to maintain the stand of previous editions, which in any case can not be guaranteed a priori to any Exhibitor.*

*Anticipating adhesion timing also allows the Organization to better identify and with more choice the exhibition spaces best suited to individual needs.*

*However, it is the Organization's commitment to try to meet all the needs of the Exhibitors.*

## METHODS OF PAYMENT AND DEPOSIT

**IMPORTANT: At the same time as submitting the Application Form, a deposit of 65€ multiplied by the square meters required must be paid. Otherwise, the Application Form will have no value.**

The balance must be paid before the start of the event, as indicated in the General Regulations.
