Outdoor **dynamic areas** can be booked only under the following conditions:

- upon reservation and assignment of a static exhibit space;
- the outdoor dynamic area is exclusively used for demonstration of machinery in motion. Veronafiore reserves the right to evaluate and assess applications for admission to the demo area that ensure and add technical and spectacular value to the exhibition;
- obligation to submit a technical project of the demo area in compliance with current safety regulations and with product categories permitted for the Event, and which has to be approved by Veronafiore.
- compulsory installation of a safety fence to delimit the demo area, and which will be supplied exclusively by Veronafiore upon presentation of specific cost estimates;
- Veronafiore may provide customised quotes for the personalization of the safety fence with advertising signs or non-woven fabric banners, complete with exhibiting company's logo and graphic.

IMPORTANT: Exhibiting companies should enter their full VAT registration number or valid T.I.N. Tax Identification Number on the online Application Form. If this information is not provided, Veronafiore is obliged to charge 22% Italian VAT on all invoices. This rule only applies to non-Italian Exhibitors.

All items not specified in this document shall be referred to the dispositions of the Exhibition General Regulations.
