Inside The Italian Stone Theatre - the Hall implemented by Marmomacc with support of the **Ministry for Economic Development (MISE)**, **ICE-Italian Trade Agency** and **Confindustria Marmomacchine** within the scope of the Special Made in Italy Promotion Plan valorising the Italian excellence in the natural stone and related technology fields – also this year there is space for **Ristorante d'Autore**. The title of this project - "**Journey to the Centre of the Earth**" - is inspired by the famous story by Jules Verne about a fantastic journey into the depths of the planet.

Similarly, the project by ADI Delegation Veneto Trentino Alto Adige (Alessandro Barison, Cristian Dal Bianco, Tommaso Gentile, Alessandro Lughì, Carlotta Rebonato, Silvia Sandini, Carlo Trevisani) for Marmomacc seeks to be a symbolic journey into the world of marble to discover the geometry of the material and observe its molecular structure and the colours of its crystals under the microscope; an imaginative journey where creativity translates into new stimuli and new experiments.

The entrance to the restaurant - material Marmo Zandobbio from Cava di Zandobbio Bergamo and manufacturing from Remuzzi Marmi Bergamo - will be staged as the "entrance to the volcano", an intimate yet colourful setting, with visual cones pointing into the unknown to stimulate exploration of the world of design and food; a place where natural stone and food can dialogue in a stimulating setting giving life to a perfect and unforgettable symphony of flavours.

Open to everyone attending the trade fair, Ristorante d'Autore once again this year will welcome the cuisine of four star chefs - Enrico Bartolini, Devero Restaurant, Cavenago di Brianza – MB (28 September), Beppe Maffioli, Carlo Magno Restaurant, Collebeato – BS (29 September), Andrea Tonola, Lanterna Verde Restaurant, Villa di Chiavenna – SO (30 September), Stefano Cerveni, Due Colombe Restaurant, Borgonato di Cortefranca – BS (1 October) – who will take turns over the four days of the show with "tasting menus" served in this extraordinary setting; dishes are paired with wines by Tommasi Family Estates, an historic producer in the Valpolicella Classica area today active with owned estates in 5 regions of Italy.
